- SQL datatype: INT(11)
- Class name: FieldTask

Contact list

Contact list with export to vCard

Properties

- Type: Tabular data
- Groupable: No
- Show in lists: Yes
- Searchable: Yes

User interface

Field in show mode

Team members	Navn	Telefon	Mobil	Email	Noter
	 Kasper Pedersen		31507377		

Field in edit mode

Team members	Navn	Telefon	Mobil	Email
	 <input type="text" value="Kasper Pedersen"/>	<input type="text"/>	 <input type="text" value="31507377"/>	 <input type="text"/>
	 <input type="text"/>	<input type="text"/>	 <input type="text"/>	 <input type="text"/>
				

Configuration

The image shows a dialog box titled "Edit field configuration". It has a header bar with the title. Below the header, there is a section labeled "Contact options" on the left. To the right of this section, there are seven checkboxes, each followed by a text label: "No history info", "No contact creation", "No email field", "No phone field", "No mobile field", "Use address field", and "Use notes field". At the bottom right of the dialog box, there is a button labeled "CANCEL".

Contact options	Configuration
	<input type="checkbox"/> No history info
	<input type="checkbox"/> No contact creation
	<input type="checkbox"/> No email field
	<input type="checkbox"/> No phone field
	<input type="checkbox"/> No mobile field
	<input type="checkbox"/> Use address field
	<input type="checkbox"/> Use notes field
