Configuration

The image shows a dialog box titled "Edit field configuration". It has a table-like structure with two columns. The first column contains labels: "Default value", "Maximum text length", "Area height*", and "Area width*". The second column contains input fields: a large text area for "Default value", and three smaller text boxes for "Maximum text length", "Area height*", and "Area width*". A "CANCEL" button is located at the bottom right of the dialog box.

Edit field configuration	
Default value	
Maximum text length	
Area height*	
Area width*	
CANCEL	

[Description of configs]

Developer info

- FeltTypeID: 31
- SQL datatype: TEXT
- Class name: FieldTextMemo
