

User deactivation

The service deactivates user accounts that has not been used for some time, in order to

- Save user licenses (inactive users are not counted)
- Guard the system against forgotten users

Default maximum inactivity is 90 days.

Future releases will contain an configuration option for the age.

Configuration

[If any configuration is available, and how to]

Developer info

- Classname: `dk.p2e.blanket.services.UserDeactivateAccount`
- Default `isActive`:
- Default interval:
