Licenses

Normal users

Only **active** users are paid for, down to a minimum of 5.

A service can be configured in order to automatically deactivate inactive users.

Anonymous users

Anonymous users are paid for per **active** interface (access to a solution):

- All users using a specific interface is counted as a single user license (1 SUL).
- Solutions can support multiple anonymous users via multiple interfaces

Light users

Some users will only cost a fraction of a normal user license (1/4 SUL)

- Only read access
- Infrequent users
- Simple solutions
