

Introduction

Brief introduction to Sundhedsvideo.

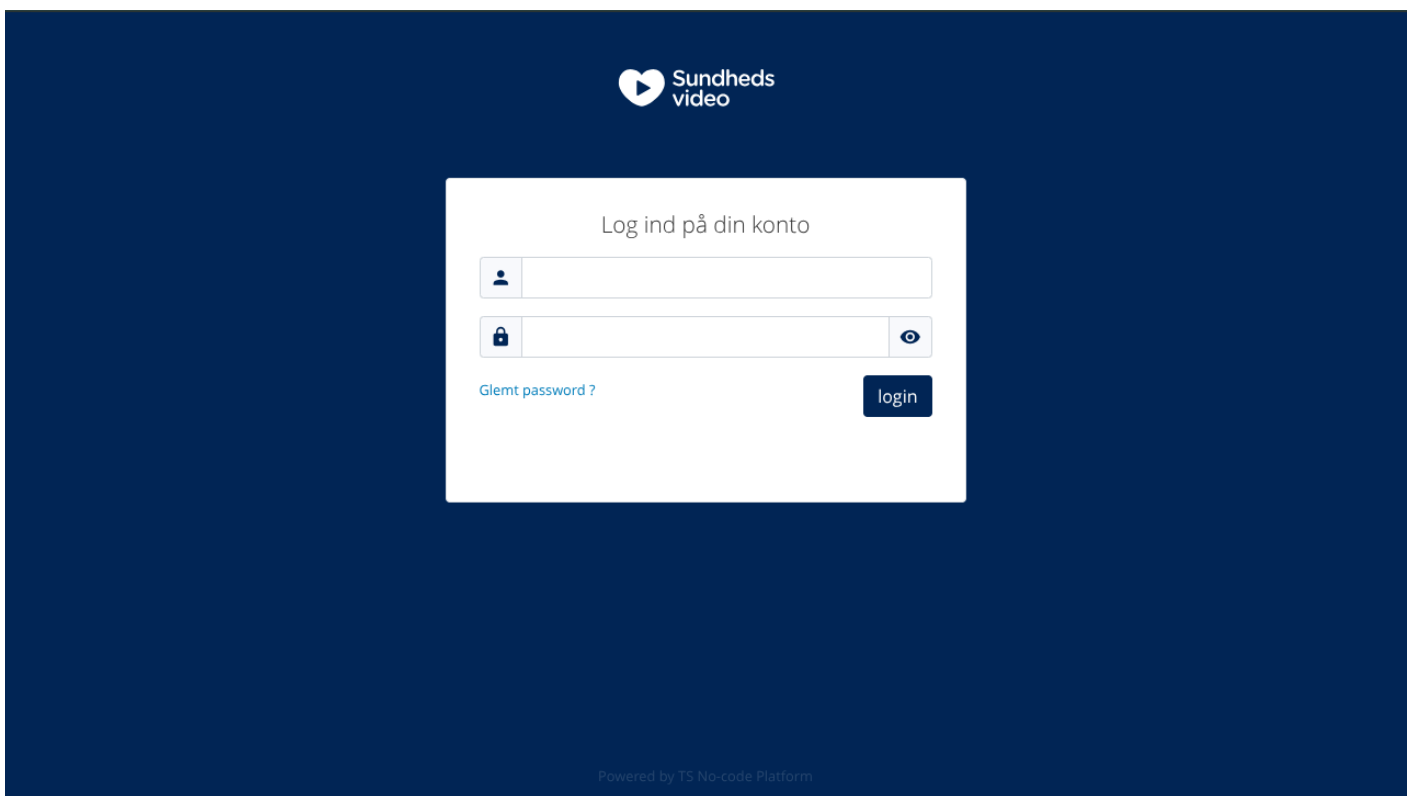

This introduction is available as a video and as a written article.

[INSERT VIDEO]

Sundhedsvideo is developed to safely and securely share data and files between patients and hospitals within different clinical areas.

And in this case, it is about the area of GMA and mainly sharing videos.

To start with, you need to log in, here we see the Sundhedsvideo login page. It is possible to ask your browser to save your login information, so you can basically just press login.

Once signed in you will be redirected to the main dashboard, from where you will be able to complete all the tasks the system helps you execute.

The dashboard consists of four lists and four buttons.

The four buttons at the top, from left to right, do the following:

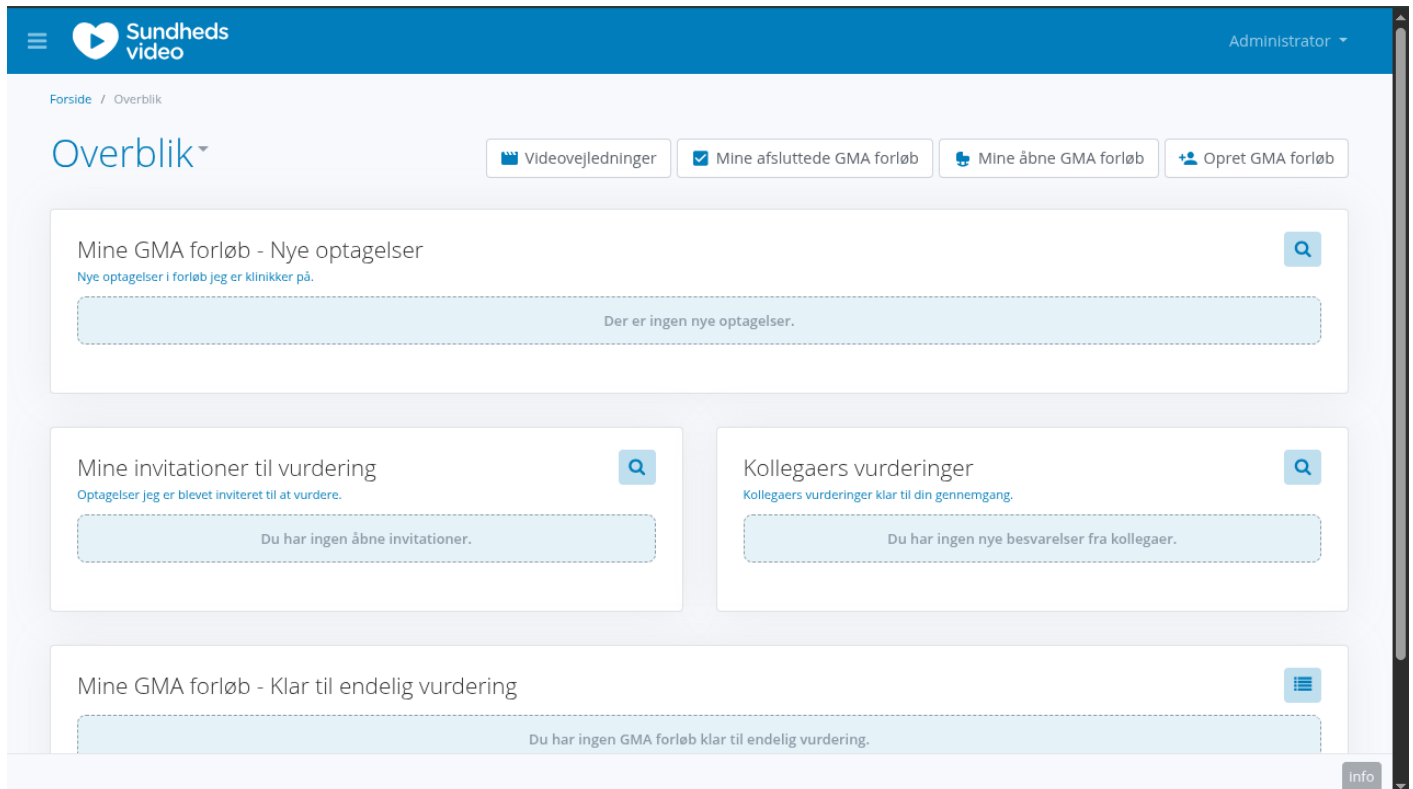

- Redirect you to a page with the videos also found in these articles
- Redirect you to your list of finalized GMA courses
- Redirect you to your list of open/active GMA courses

- Allows you to create a new GMA course

The four lists, from top left to bottom right, show the following:

- New recordings submitted by parents, that you haven't reviewed yet
- Invites from your colleagues to review a video they received
- Responses from colleagues you invited to review a video you received
- GMA courses that are ready for the final assessment

Above all four lists you see a button with an icon. If you click this button you'll be redirected to the full list of items, behind the list. The list only shows a limited number of records.

The screenshot shows the 'Sundheds video' dashboard. At the top, there is a navigation bar with the logo and the user role 'Administrator'. Below the navigation bar, the main content area is titled 'Overblik' and contains four summary cards, each with a search icon in the top right corner. The cards are: 1. 'Mine GMA forløb - Nye optagelser' with the subtext 'Nye optagelser i forløb jeg er kliniker på.' and the message 'Der er ingen nye optagelser.' 2. 'Mine invitationer til vurdering' with the subtext 'Optagelser jeg er blevet inviteret til at vurdere.' and the message 'Du har ingen åbne invitationer.' 3. 'Kollegaers vurderinger' with the subtext 'Kollegaers vurderinger klar til din gennemgang.' and the message 'Du har ingen nye besvarelser fra kollegaer.' 4. 'Mine GMA forløb - Klar til endelig vurdering' with the message 'Du har ingen GMA forløb klar til endelig vurdering.' At the bottom right of the dashboard, there is an 'info' button.

If you wish to sign out of the system, you'll find the button in your personal menu, by clicking your username in the top-right corner, and selecting "log out".
